

**Just Plain Nasty™**, a gel that has been formulated to strongly discourage all types of horses, young or old, from the serious habit of biting or chewing stable doors, gates, fencing, rugs, bandages and wraps. One application will last up to two days.

**Directions for use:** Apply with the brush enclosed to all surfaces that require protection from biting and chewing. (Will also help deter dogs from destructive chewing!)

**Contents:** Water, Denatured Ethanol, Capsicum, Denatonium Benzoate and Xanthan Gum

# JUST PLAIN NASTY™

ANTI-CHEWING AND ANTI-CRIB BITING GEL
