

# FLY-REPEL™ SPRAY

NATURAL INSECT REPELLENT FOR UP TO 8 HOURS

## FLY REPELLENT

750ml e

**PROVIDES RELIEF FROM MOSQUITO, MIDGE & OTHER INSECT BITES FOR UP TO 8 HOURS**

Directions for use: Fly-Repel™ Spray is an insect repellent for amateur use, application being direct to the skin of horses, ponies and camelids with a cloth or a sponge. A skin test is recommended before initial use on each animal, avoiding the eye area. Four trigger pulls will cover 1m<sup>2</sup> of skin (0.5ml/trigger pull).

**Contents:** Purified Water, Citrepiel 2.5%, Tea Tree Oil, Castor Oil, Lavender Oil, Cedarwood Oil, Xanthan Gum, Preservative.

**FOR USE ONLY AS AN INSECT REPELLENT**
