

LIKE ICE™ NATURAL CLAY

A topical clay brace, which cools and tightens tired legs and tendons after exercise or competition.

Directions for Use:

Clean desired area of any other applications. Apply a layer of Like Ice one centimetre thick over the intended area. Wrap the preparation with moist brown paper, or cling film. Cover with a cotton bandage. Leave on for up to twelve hours, then wash or hose off thoroughly. Repeat as required.

Composition:

Kaolin, Water, Bentonite, Glycerine, Sorboplex, Boric Acid, Ferrous Sulphate, Aloe Vera, Tea Tree Oil.
